## **Penbridge Advisors Launches Annuity Buyout Pricing Mobile Website**

*Enhances plan sponsor and advisor understanding of annuity buyout pricing*

STAMFORD, CT, October 25, 2016\* – [Penbridge Advisors](#) is launching today a new mobile website, PRT Index Mobile, designed to provide defined benefit plan sponsors and advisors easy access to the Penbridge Pension Risk Transfer (PRT) Index.

“PRT Index Mobile is the latest way Penbridge is delivering to plan sponsors and advisors insightful, unbiased information not easily found elsewhere,” said Steve Keating, co-founder and principal, Penbridge Advisors. “At Penbridge, we strive to provide plan sponsors and advisors highly relevant, simple, digestible and actionable information to help evaluate pension de-risking alternatives and to improve plan governance.”

The first mobile website of its kind, PRT Index Mobile delivers content that helps plan sponsors and advisors to:

- Track historical and current annuity buyout pricing levels
- Identify favorable times to transact
- Easily compare annuity buyout pricing to various important measures such as PPA, Lump Sum, Accounting, and Treasury bases
- Access informed, objective monthly annuity buyout pricing commentary

Participating insurers include AIG, MassMutual, MetLife, OneAmerica, Pacific Life, Prudential, Mutual of Omaha and Western & Southern.

It is easy to [register](#) for PRT Index Mobile. Users can begin working with the PRT Index on their mobile device within minutes. For additional information, click [here](#).
